Remember:

- Auto scans *may not* be scanned in order, custom scans done in order by request.
- Choose Custom Scans for faded prints that need color correction.
- You can include both Auto and Custom Scans in the same order, just clearly label which prints need which service.
- If your print is damaged and needs restoration, describe the retouching work you would like and we will contact you with a quote.
- At \$0.50 each, a good way to get an idea of how much your auto scan order will cost is \$250 for every 500 prints scanned. Auto Scans are \$4 for the first scan and \$.50 ea for every additional scan.
